Auctioneer's Note: After a successful farming career, Shane & Jackie along with his parents, Jack & Marijane, have rented the farm out. Shane was the inventor of the "Houck Hitch" for JD drills and also invented planter/fertilizer frames which are being sold by Agco & Knight/Kuhn. There are an abundance of planter & fertilizer parts, many like new, being sold as a result of Shane's development of the frame. Bid with confidence on this clean & well maintained equipment. Bring a trailer as a loader will be available on sale day.
